If you have a point to get across, a product to push or a group to motivate, this is your guy. Bobby Brooks Hamilton has the title as the world's greatest impersonator, mainly because he has the uncanny ability to change his looks and voice to fit your favorite star and he also was voted number one R&B Feel Good Artist from the LA based Reel Awards for the years of 2004 and 2007.

Bobby also has a great story to tell from overcoming hardship as a foster child, to close calls with his life in the US Navy and emerging into show business; no one better to drive the point home of diligence, dream building, determination, dedication and achievements. His combination of entertaining and motivation is nothing less than brilliant.

Bobby Brooks Hamilton will woo your clients with the sounds of Johnny Mathis, the energy of Little Richard, the nostalgia of Tony Bennett, the soul of Sam Cooke, the excitement of Elvis, and the class of Vince Gill.
